Key Job Requirements

Education: Vocational or Technical School required.

Experience: 3 to 5 years

Impact of Actions: Makes recommendations or decisions which usually affect the assigned department, but may at times affect operations, services, individuals, or activities of others outside of the assigned department.

Complexity: Analytic; Work is non-standardized and widely varied requiring the interpretation and application of a substantial variety of procedures, policies and/or precedents used in combination. Frequently, the application of multiple, technical activities is employed; therefore, analytical ability and inductive thinking are required. Problem solving involved identification and analysis of diverse issues.

Decision Making: Analytic; supervision is present to establish and review broad objectives relative to basic position duties or department responsibilities. Independent judgment is required to study previously established, often partially relevant guidelines; plan for various interrelated activities; and coordinate such activities within a work unit or while completing a project.

Communication with others: Requires regular internal and external contacts to carry out programs and to explain specialized matters. Occasionally requires continuing contacts with officials at higher levels on matters requiring cooperation, explanation, and persuasion, as well as with the public involving the enforcement of regulations, policies and procedures.

Managerial Skills: Responsible for providing limited supervision for one or more functions within a department. Formally plans, assigns, directs and coordinates the work of these functions. Typically responsible for performing some non-supervisory duties in addition to supervisory responsibilities. May perform staff evaluations and make recommendations regarding pay and/or performance.

Working Conditions/Physical Efforts: Work requires only minor physical exertion and/or physical strain. Work environment involves limited only infrequent exposure to disagreeable elements. Some travel.

On Call Requirements: On call 24 hours pending disasters

Other: Previous experience in airport grants and finance is helpful.
